A large, bright, circular light source, possibly the sun or moon, with a hand reaching up towards it. The hand is shown in a simple, sketchy style, with fingers extended upwards. The background is a light, textured grey. The text "S-SHE'S WET!!!" is written in a bold, black, sans-serif font, centered within the circular light source.

In the background, there are rows of lockers. Two speech bubbles are present: one on the left containing the text 'IT'S OK! JUST LEAVE IT TO ME!!' and one on the right containing the text 'WAIT, ARE WE GOING TO DO IT HERE...?'.

IT'S OK!
