The main sign has a smaller rectangular label in the center that says 'CLASS PLACEMENT'. Below this label, the text '3-A' is visible. Two large speech bubbles originate from the sign area. Sorry for the long wait!

I had PC troubles, sent it to the tech shop and they took a long ass time to do anything to it, I think they didn't do anything but clean it. Themz a Bastards! Never going there again. At least it was a reasonable price for how dirty it was -oop. However, thanks to my Bff, he was able to fix it!!

I didn't redraw 2 sfx and the last Bonus pages 'cause my PC issue took so long to fix, but the rest I redrew it and I'm quite happy with it! Didn't want to drag out the release any further T_T

No gag page this time, soz

I look
forward to
studying with
everyone
from today
onwards!

The
class next
door started
cheering

KYAAAAAA!

I
wonder
what kind
of person
Michael-
san is
...

SHR

*it's no
wonder
he's the
center of
attention*

he has,

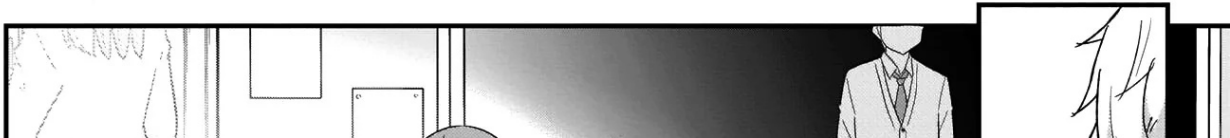

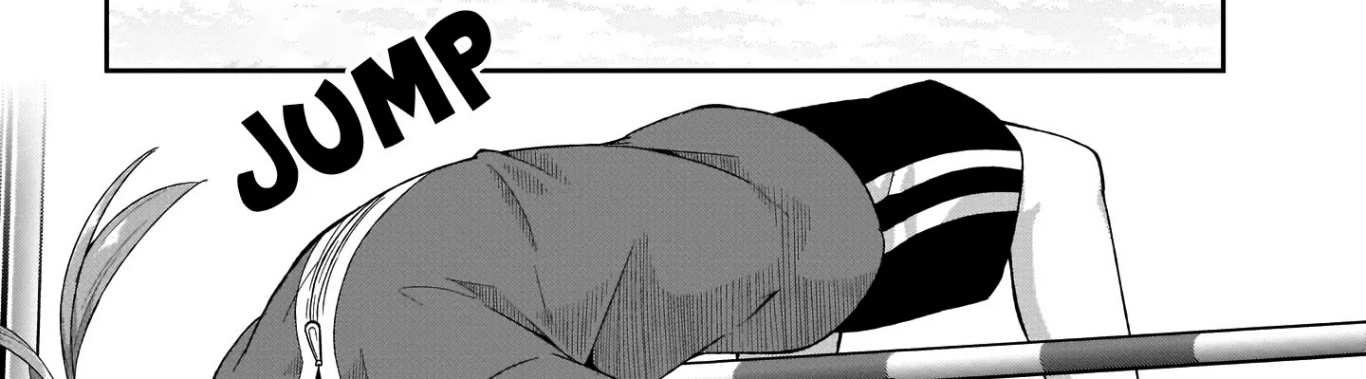

HE'S
ATTENTIVE
TOO!!

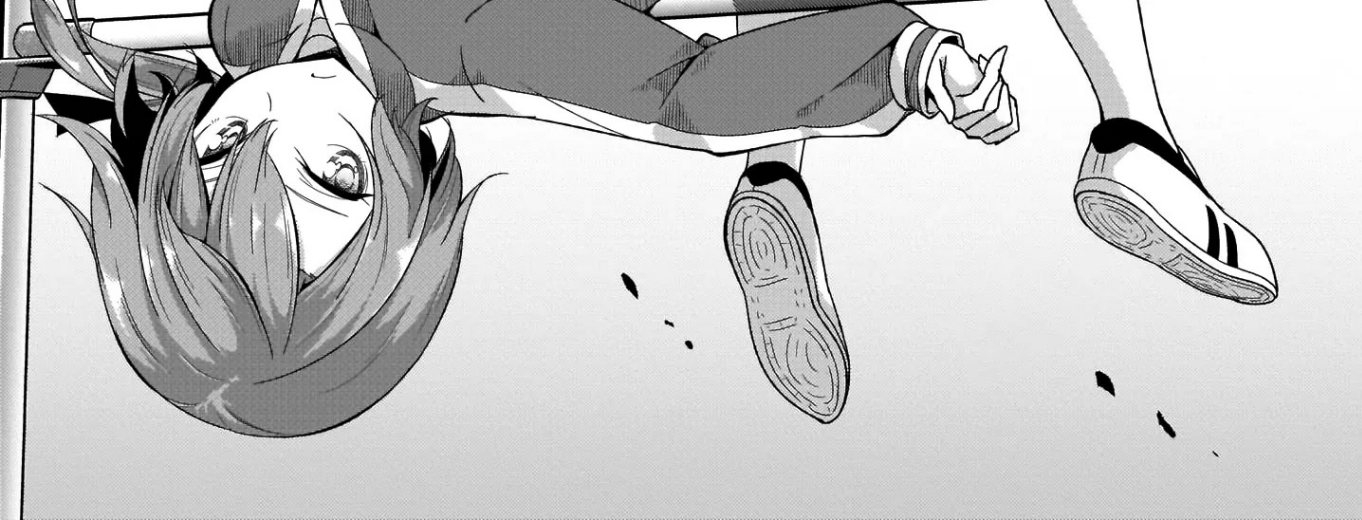

キョウコン?

Oh!
Thank you
very much!

You
have the
singing
voice of
an angel!

CLAP

That was
wonderful,
Kira-san!

CLAP

CLAP

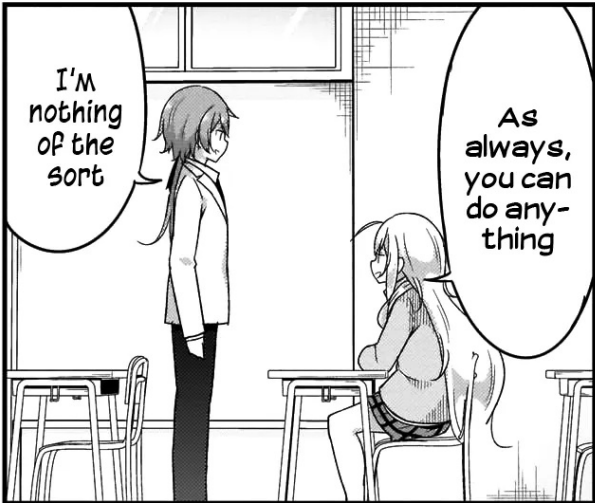

You're
a perfect
super-
human

She
has a
point

If not,
then all of
society's
standards
are in
trouble

I'm
nothing
of the
sort

As
always,
you can
do any-
thing

I
wonder
if she'd
rather be
with

Gab looks
like she's
having
a lot of
fun

GRIN

AS I
thought.

Michael-
san than
with me
:

GRIN

Ahahah,
you got me
there

thoughts,
prince-sama
is on a dif-
ferent
level

would
you like to
walk home
with me
after
school?

Say,
Gabriel,

**HE'S
ASKING
HER OUT
ON AN
AFTER-
SCHOOL
DATE
!?**

I found
this really

I would
be delighted
to serve
you, my
lady

But
you're the
one payin'

Yeah,
sure

Fancy café,
and I thought
maybe we
could have
afternoon
tea there?

Maybe
there's
no place
for me at
her side
anymore
...

I'll
just go
home
quietly
...

love the
Modern,
serene
atmos-
phere

of this
place

But if I happen to

I don't even have

They just happened

overhear you, there's
nothing I can do
about it
...

the slightest intention
of eavesdropping
...

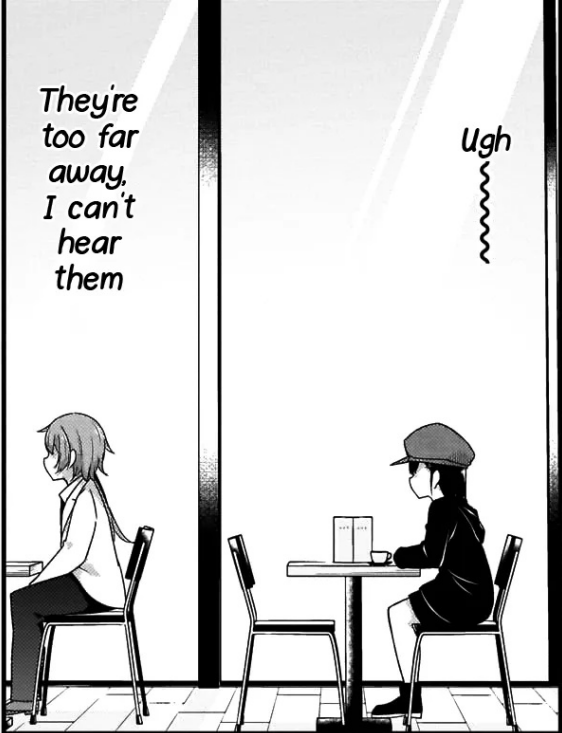

to come into the
café I went to
...

HELL EARS!!

Demonic Hearing !!

They're too far away, I can't hear them

Ugh
~~~~~

You don't even deny it

I'm just a shadow of my former angel school days

HMMM, that may be true

Do you need to get your eyes checked?

Not at all

You haven't changed at all from the old days, Gabriel

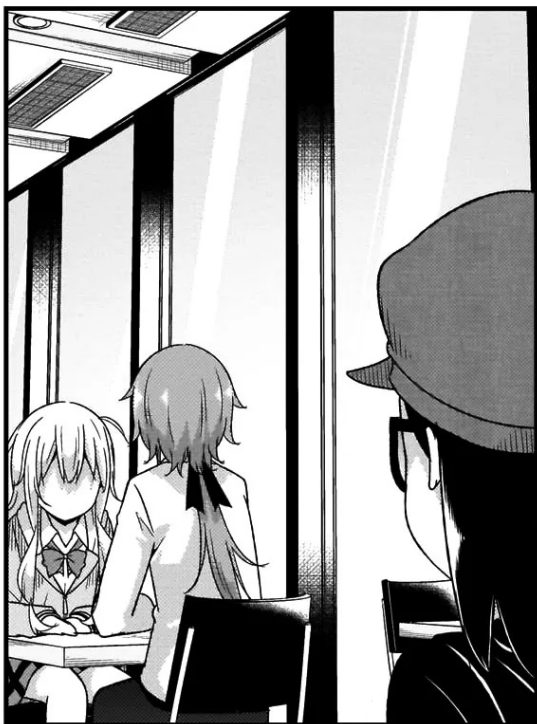

You've  
always been  
like that,  
you know,

honest with  
yourself, never  
trying to pretend  
to be something  
you're not, always  
being your  
natural  
self

But  
you're still  
the same  
person on  
the inside

I have  
always

admired  
you for  
that

But if I  
don't, Gab  
and I won't  
be able to be  
together like  
we used  
to be  
:

Panicky!

Noo!  
I shouldn't

do!?  
Stop  
it!?

we've
